Pharmaceutical Press produces a wide range of print and digital products including textbooks, reference works, professional titles and subscription products. *The British National Formulary* is published by Pharmaceutical Press in conjunction with the BMJ Group. High quality professional magazines are produced by PJ Publications, and PJ Online provides access to online content and daily news updates. MedicinesComplete is an internationally recognised online subscription service. While developing existing brands such as *Martindale*, *Stockley's*, and *Clarke's*, Pharmaceutical Press continues to launch new products and embrace all appropriate media in order to respond to customer needs.

Inspection Copies

Inspection copies of Pharmaceutical Press textbooks are available to lecturers who are considering the book as a recommended core text. For further information, visit www.pharmpress.com/inspectioncopies

eBooks

Many Pharmaceutical Press titles are also available as eBooks on the following platforms: EBL/EBooks.com, MyiLibrary, NetLibrary and R2 Library. For information on eBook availability speak to your Librarian, or visit www.pharmpress.com/eBooksUK

Adverse Drug Reactions

Second edition

Edited by Anne Lee

A practical guide to the most common reactions that affect particular organ systems and the medicines implicated most often.

ISBN: 978 0 85369 601 8 | Paperback | £29.99
234 x 156mm | 496pp | 2006

Applied Pharmaceutical Practice

Christopher A Langley and Dawn Belcher

This title is an invaluable companion to the compulsory dispensing courses and covers the main stages involved in pharmaceutical dispensing.

ISBN: 978 0 85369 746 6 | Paperback | £24.99
246 x 189mm | 304pp | 2008

Basic Pharmacokinetics

Sunil S Jambhekar and Philip J Breen

Addresses how the principles of pharmacokinetics and biopharmaceutics can be applied to successful drug therapy.

ISBN: 978 0 85369 772 5 | Paperback | £39.99
246 x 189mm | 424pp | 2009

Biomedical and Pharmaceutical Polymers

Gilles Ponchel, Denis Labarre and Christine Vauthier

A comprehensive introduction to polymer chemistry research and development in pharmaceuticals.

ISBN: 978 0 85369 730 5 | Paperback | £29.99
234 x 156mm | 256pp | October 2010

NEW EDITION

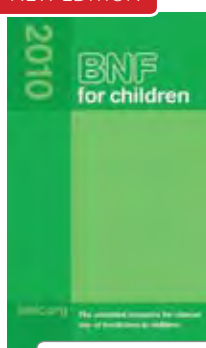

BNF 59

Published jointly by the British Medical Association and the Royal Pharmaceutical Society of Great Britain

This essential reference provides updated guidance on prescribing, dispensing and administering medicines. BNF 60 publishes September 2010.

ISBN: 978 0 85369 929 3 | Paperback | £29.99
215x130mm | 1024pp | March 2010

NEW EDITION

BNFC 2010

Published jointly by the British Medical Association, the Royal Pharmaceutical Society of Great Britain, the Royal College of Paediatrics and Child Health and the Neonatal and Paediatric Pharmacists Group

The *BNF for Children* provides up-to-date guidance on the safe and effective use of medicines for managing childhood conditions.

ISBN: 978 0 85369 927 9 | Paperback | £29.99
215 x 130mm | 960pp | July 2010

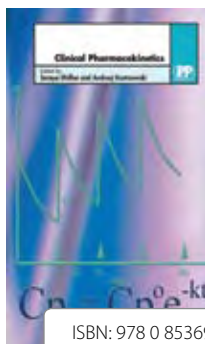

Clarke's Analytical Forensic Toxicology

Edited by Sue Jickells and Adam Negrusz

Based on the full reference *Clarke's Analysis of Drugs and Poisons*, this text covers the main elements of forensic toxicology and analytical toxicology techniques.

ISBN: 978 0 85369 705 3 | Paperback | £39.99
246 x 189mm | 672pp | 2008

Clinical Pharmacokinetics

Edited by Soraya Dhillon and Andrzej Kostrzewski

Over 30 clinical cases are presented to help bridge the gap between pharmacokinetic concepts and their practical application to individual patients.

ISBN: 978 0 85369 571 4 | Paperback | £19.99
234 x 156mm | 280pp | 2006

Clinical Pharmacy Pocket Companion

Jane Wright, Alistair Gray and Vincent Goodey

This practical A-Z handbook provides you with a range of tools, suggestions and advice to assist in the provision of pharmaceutical care.

ISBN: 978 0 85369 649 0 | PVC | £21.99
180 x 100mm | 480pp | 2006

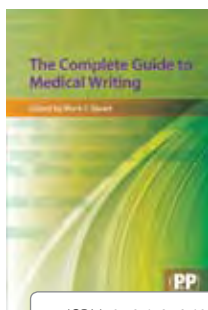

Complementary and Alternative Medicine

Second edition

Edited by Steven B Kayne

A practical introduction and reference source on the CAM products most frequently requested in community pharmacies and in hospitals.

ISBN: 978 0 85369 763 3 | Paperback | £34.99
234 x 156mm | 624pp | 2009

The Complete Guide to Medical Writing

Edited by Mark C Stuart

An invaluable writing guide for students wishing to effectively communicate scientific and medical information.

ISBN: 978 0 85369 667 4 | Paperback | £19.99
234 x 156mm | 512pp | 2007

Concise Clinical Pharmacology

Ben Greenstein and Adam Greenstein

A concise introduction to pharmacological principles and mechanisms, with a strong clinical focus on the therapeutic use of the drugs.

ISBN: 978 0 85369 576 9 | Paperback | £19.99
216 x 38mm | 320pp | 2007

NEW EDITION

Conducting Your Pharmacy Practice Research Project

A step-by-step guide

Second edition

Felicity J Smith

This clear and concise handbook has been updated and expanded in recognition of the increased diversity of projects undertaken by students.

ISBN: 978 0 85369 869 2 | Paperback | £15.99
216 x 138mm | 208pp | August 2010

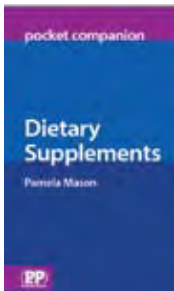

Dale and Appelbe's Pharmacy Law and Ethics

Ninth edition

Gordon E Appelbe
and Joy Wingfield

This established text is the definitive guide to the law relating to the practice of pharmacy and the use of medicines in the UK.

ISBN: 978 0 85369 827 2 | Paperback | £39.99

Subscription Products

The Pharmaceutical Journal ISSN 0031-6873 www.pjonline.com

Editor: Olivia Timbs

The Pharmaceutical Journal (PJ) is the official weekly journal of the Royal Pharmaceutical Society of Great Britain. As well as providing comprehensive news coverage of all aspects of pharmacy in Great Britain and abroad, The PJ publishes technical articles and reviews on pharmaceutical and similar subjects. Also included are letters, book reviews and reports of international conferences. Classified and display advertisements cover, among other things, appointments in community, hospital and industrial pharmacy.

Clinical Pharmacist ISSN 1758-9061 www.clinicalpharmacist.com

Editor: Matthew Wright MRPharmS

Clinical Pharmacist is the leading clinical pharmacy publication in Great Britain and is published 11 times per year. Concentrating on issues of direct relevance to hospital pharmacists, primary care pharmacists and leading edge community practitioners, the publication enables readers to keep abreast of current advances in their fields and assists them in expanding their professional skills and knowledge.

Clinical Pharmacist also includes news features, research papers and articles on the treatment of clinical conditions, enhanced by accredited online "Lifelong Learning" modules.

PJ Online Gateway to the World of Pharmacy and Medicines www.pjonline.com

PJ Online is a constantly evolving website, that contains all the content from *The Pharmaceutical Journal*, along with all content from other PJ Publications. A subscription to *PJ Online* includes access to the content of all PJ Publications as well as daily news updates, careers advice, ask-the-expert sessions, interactive forums and the invaluable archive.

PJ Careers (www.pjcareers.com) is the job board for *PJ Online*, and is the principal source of UK pharmacy jobs. *PJ Online*, is available to all RPSGB accredited Schools of Pharmacy for free during 2010.

Tomorrow's Pharmacist

www.tomorrowpharmacist.com Editor: Benedict Lam MRPharmS

in association with

British Pharmaceutical Students' Association
The official student organisation of the United Kingdom's Schools of Pharmacy

New for 2010, *Tomorrow's Pharmacist* goes online! *Tomorrow's Pharmacist* is an invaluable open resource for pharmacy students, preregistration trainees, newly registered pharmacists and anyone interested in a career in pharmacy. Packed with advice and guidance on placements and careers within pharmacy, interesting and useful articles for pharmacy students and regular competitions, *Tomorrow's Pharmacist* is the perfect one-stop shop for pharmacy students and preregistration trainees. *Tomorrow's Pharmacist's* students' corner is published in association with the British Pharmaceutical Students' Association.
