Coins of England and The United Kingdom 2018

Standard Catalogue of British Coins

Edited by Emma Howard

Key Features:

- **The industry standard**
- **The only reference work to feature every major British coin**
- **A key reference work for collectors**

This historic reference work for British coins is still the only catalogue to feature every major coin type from Celtic to the present day, arranged in chronological order and divided into metals under each reign, then into coinages, denominations and varieties. Under Elizabeth II the decimal issues are separated from the pre-decimal coinages, with all decimal coinage since 1968 listed in a separate volume.
