The SAGE Handbook of Current Developments in Grounded Theory

Edited by **Antony Bryant** *Leeds Beckett University* and **Kathy Charmaz** *Sonoma State University*

April 2019 • 704 pages
Cloth (978-1-4739-7095-3) • £120.00

Building on the success of the bestselling **The SAGE Handbook of Grounded Theory** (2007), this title provides a much-needed and up-to-date overview, integrating some revised and updated chapters with new ones exploring recent developments in grounded theory and research methods in general. The highly-acclaimed editors have once again brought together a team of leading academics from a wide range of disciplines, perspectives and countries. This is a method-defining resource for advanced students and researchers across the social sciences.
